**Notes:**

- (1) The Graduate count is the number of graduates reported to LOSFA for the school in the LDOE Student Transcript System (STS).
- (2) Alternate Eligible includes Homestudy, Out of State and Out of Country students who are eligible for a TOPS Award but did not graduate from a Louisiana High School.
- (3) These numbers can change over time as schools update STS numbers or students submit paperwork that changes their eligibility status.
- (4) The number of graduates may be less than the number of TOPS eligibles for one of the following reasons: (a) the school did not report or underreported its graduate count in STS, (b) the school was consolidated with another school or closed.
